### **Treatment**

We disclose medical information to our employees and others who are involved in providing the care you need. We may use or disclose your health information to another dentist or other health care providers providing treatment that we do not provide. We may also share your health information with a pharmacist in order to provide you with a prescription or with a laboratory that performs tests or fabricates dental prostheses or orthodontic appliances.

### **Payment**

We may use and disclose your health information to obtain payment for services we provide to you, unless you request that we restrict such disclosure to your health plan when you have paid out-of-pocket and in full for services rendered.

Unless you give us a written authorization, we cannot use or disclose your health information for any reason except those described in this notice.

## **To Your Family and Friends**

We must disclose your health information to you, as described in the Patient Rights section of this notice. You have the right to request restrictions on disclosure to family members, other relatives, close personal friends or any other person identified by you.

## **Unsecured Email**

We will not send you unsecured emails pertaining to your health information without your prior authorization. If you do authorize communications via unsecured email, you have the right to revoke the authorization at any time.

We may use or disclose health information to notify, or assist in the notification of (including identifying or locating) a family member, your personal representative or another person responsible for your care, of your location, your general condition or your death. If you are present, then prior to use or disclosure of your health information, we will provide you with an opportunity to object to such uses or disclosures. In the event of your incapacity or emergency circumstances, we will disclose health information based on a determination using our professional judgment disclosing only health information that is directly relevant to the person's involvement in your health care. We will also use our professional judgment and our experience with common practice to make reasonable inferences of your best interest in allowing a person to pick up filled prescriptions, medical supplies, X-rays or other similar forms of health information.

## **Marketing Health-Related Services**

We may contact you about products or services related to your treatment, case management or care coordination or to propose other treatments or health-related benefits and services in which you may be interested.
